

SPARKIE VS GUZZLER

The Super Energy Activists Ireland are four kids (and one dog) who are Super Focused on finding out about sustainable energy and Super Energised about protecting the environment. Read all about their energy saving antics in Climate SOS, the Super Exciting book from SEAI!

SPARKIE the dog lives in a cool treehouse and dreams of being an energy-saving superhero. But sometimes Sparkie's friendly enemy, the energy wasting monster **GUZZLER**, comes to call! Read the story below and using your imagination and creativity draw in your very own ending!

AFTER A DAY OF FUN ENERGY WORKSHOPS WITH SCHOOLKIDS, SPARKIE HEADS BACK TO THE SUPER ENERGY ACTIVISTS IRELAND'S TREEHOUSE HQ...

I LOVE TELLING SCHOOL KIDS ALL ABOUT SUSTAINABLE ENERGY!

...ONLY TO FIND ALL THE LIGHTS AND EVERY SINGLE APPLIANCE AND DEVICE IN THE TREEHOUSE SWITCHED ON!

WHAT THE--? WHO LEFT ALL THE LIGHTS ON?

THIS LOOKS LIKE A JOB FOR **SUPER SPARKIE!**

THERE'S ONLY ONE PERSON I KNOW WHO WASTES SO MUCH ENERGY...

AHA! I RECOGNISE THAT TAIL STICKING OUT OF THE FRIDGE!

WHAT HAPPENS NEXT? WILL SPARKIE SAVE THE DAY? OR WILL GUZZLER ESCAPE TO WASTE ENERGY ANOTHER DAY? *WE CHALLENGE YOU TO USE YOUR IMAGINATION TO DRAW THE REST OF THE STORY!*
